Well Mother Nature certainly threw a curve ball at us during last Fall. Torrential rain in October combined with a blocked culvert completely washed out the Vipond road at George Avon's.

Fortunately due to the combined speedy and dedicated efforts of our own road crew of Gaston, Pierre, and Mike the road was repaired in short order. A big thanks to these guys for all their great work and giving up their time!

The winter was long and we were very pleased with our new snow clearing contractor. Hopefully you all felt the same way!

More Big Thanks

We would like to recognize and give a big thanks to the following people who at their own expense and time have helped in various endeavours:

Kester Hamilton who helped fill pot holes in his area and other places at his own expense.

Tony and Rosaline Frith for continuing to allow us to use their property to store gravel.

Pierre Phillion for continuing to make his place available for our annual general meetings.

Also everyone who participates in the annual work day and others who help out in various ways throughout the year.

Condolences

Bob Carisse a long time resident died last year. The Carisse family have been at the lake since 1945.
