AGM
Sunday July 16 09:30 am at Pierre Phillion's residence 136 ch H. Vipond. **PLEASE BRING your own chairs.** We have included the meeting agenda (on reverse) and last year's minutes.

WORK DAY
Sunday August 13 09:30 am
Meet at the fork of H-Vipond & Denzil. We'll be clearing around road signs, cutting brush, & picking up garbage. Many hands make light work!

Hello everyone, here's what's happening on our roads and other news. More detailed information will be available at our AGM.

Apart from the usual bigger spring potholes, there was minimal damage following the spring thaw. We had just two sink holes forming around two minor culverts on the main road.

Because of substantial savings on the road budget during the past few years, we are happy to announce that from only two gradings a summer two years ago, we are planning for a minimum of four this summer. One of them was done as soon as the thaw was over. We will also add to the road at least 20 loads of gravel; the most so far.

In at least two locations, the base of the road will be raised or reinforced with a bigger aggregate in order to prevent or at least minimise flooding and erosion.

Road Closure

We are planning to change a minimum of 4 culverts this summer on the main section of the road between highway 366 and the fork. In order to do this the road will need to be closed and we are working on a diversion during this period. The work will be done on a week day, towards the end of the summer when the water levels are at their lowest. The date of the closure and diversion will be announced a minimum of one week in advance.

A Big Thanks

We would like to recognize and give a big thanks to the following people who at their own expense and time have helped in various endeavours:

Tony and Rosaline Frith again for allowing us to use their property to store gravel.

Pierre Phillion for making his place available for our annual general meetings.

Also everyone who participates in the annual work day and others who help out in various ways throughout the year.

Condolences

Craig Brown a long time resident died Oct. 2016. Craig & Gail Brown have had their Vipond road cottage since at least the 1970's.

New Arrivals

Trevor and Mellissa Boicey (purchased Gordons place); Noel Mathews and Sarah Mayes (purchased Friths place).

Web Page

We are working with the Grand Lake Association to set up our own page on their web site <http://lacgrandlake.ca/en/>. This will enable us to have the latest news and information available as well as annual newsletters, AGM agendas and minutes.

Do we have your email address?

Help reduce mailing costs and time by giving us your email address. Please send your address to ejmiketoll@gmail.com. Addresses will not be shared with any other party. If you do not use email then we will continue to send by regular mail.

Annual Fees

Enclosed is your invoice and prompt payment is appreciated. Once again there's no increase in fees this year!

Please note that a \$50.00 late fee penalty will be charged for any payments made later than three months after the AGM date.

Come and meet your neighbours at the AGM. We look forward to seeing you all there.

Your Grand Lake West Road Corporation Association Executive

**GRAND LAKE WEST ROAD CORPORATION
ASSOCIATION**

61st Annual General Meeting

Sunday July 16, 2017 09:30 AM.

Pierre Phillion's Residence 136 ch H. Vipond.
